**Letter of Appreciation**

We hereby wish to inform that KVS Technologies helped us in Software Validation of PLCs and instrument softwares like Chromeleon, Tiamo etc at **M/s Exemed Pharmaceuticals, Luna (API Plant)**. Validation work was carried out by them to our full satisfaction and in a scientific way.

KVS Technologies have resources well versed in software validations and 21CFR Part 11 compliance. People at KVS Technologies are well Trained, Dedicated, Motivated and Focused in their jobs. KVS Technologies is working with us since two years. We found them very prompt and correct.

Mr. K.R Vaghela and S.P Sapavadiya lead the team and are fully aware of the requirements. The Validation documentation is of high quality and meets the requirements of GAMP5 guidelines.

This letter is issued on their request. We wish them all the success in all there domestic and international venture.
